Dear Parents, Staff and Children

The most important time of our Church year has come and gone. In a matter of just a few days we celebrated the great event of Easter. Not the commercial things about Easter but rather the real meaning ... the life, death and resurrection of our Lord Jesus Christ. “No greater love has one man for another than to lay down his life for them.” The simple message of love is a powerful one taken from the Easter story.

For me, one of the most impressive ceremonies (experiences) of the Easter Liturgy was the entry of the New Light into the church at the Easter Vigil ceremony. The church was full of people standing in semi-darkness barely able to make out the outline of the pews and statues and other church furnishings, when into the Church is borne the new Easter Light and immediately there was a sharpening of definition in all the objects and people who were standing in shrouded outline.

The meaning of that symbolism to me is immediate; here is "Christ the light of the world" "making the way clear before us; with Christ present in our lives the purpose and meaning becomes clearer. In the time before Easter we witnessed how Christ in all his final pain and misery somehow kept alive in his heart the hope that all his sufferings would eventually be turned into victory and joy. In the post Easter period, we are now encouraged to celebrate with joy Christ's glorified new life and to wait with optimism for the coming of the spirit. The spirit will uplift and give us the courage and guidance to be the "New Christ's" so much needed in an ever changing world.

Peace & Best Wishes

Jake

**KINDERGARTEN 2014 INFORMATION EVENING**

There will be a Kindergarten 2014 Information Evening on Wednesday 1 May 2013 at 7:00 pm in the school hall.
Newsletter Notice – Principal Appraisal Process

Dear Parents

During Term Two on 30/31 May, Jake Madden will be involved in a principal appraisal process as part of his contract conditions. The appraisal process seeks information from a variety of people associated with the parish school and uses a number of tools to ensure wide consultation. The process aims to highlight the positive aspects of the leadership offered and identify areas for further development.

A timeline is currently being arranged to suit the needs of the parish school community. This process will involve parents on official parish school bodies in a formal way through an interview with the appraisal panel. The panel consists of an external chairperson, two principals (one nominated by the parish school principal and one nominated by the Catholic Schools Office). The CSO education consultant who facilitates the process is a member of the panel.

The full principal appraisal process involves:

• a self appraisal report completed by the principal
• an interview with the principal
• input as arranged with the parish priest
• surveys of parents, parish school staff and Catholic Schools Office personnel
• interviews with parish school staff
• interviews with parents holding official positions and other parents on request
• input from students as appropriate.

The preferred method of survey completion is by the online survey form. A link to this form will be forwarded to your email address. Please ensure your current email address is registered at the school as this survey link will be sent to you three weeks prior to the appraisal.

In writing the appraisal report, the chairperson makes use of the information gathered but does not identify sources. The principal does not sight the original returns and they are destroyed at the CSO once the report is finalised. Every family in the school is encouraged to complete a survey.

Parents not on official bodies can request an interview by contacting the school secretary or the education consultant.

A formal appraisal report is provided to the principal.

Your support of the appraisal process is appreciated.

Yours sincerely

CATECHETICAL NEWS

HOLY THURSDAY
On Holy Thursday Year 6 provided the school with a memorable re-enactment of the Stations of the Cross. We wish to thank those parents and friends who came along to remember Jesus’ act of love for us all. Many thanks to our RE team, especially Mrs Mary Machatsch, our musicians and choirs and Fr Shelwyn.

THE EASTER VIGIL
During the Easter Vigil (Holy Saturday), Mrs Tennille O’Rourke – Cox, a teacher at St Augustine’s, took the sacrament of Confirmation and Holy Communion. We are pleased to welcome her as a complete and full member of our Church and Faith. If you are not Catholic and wish to know more about the Faith, please don’t hesitate to ask Mrs Machatsch or Mr Dent.

JESUS IS ALIVE – ALLELUIA ALLELUIA!
We celebrated the Resurrection of Our Lord in the church with a children’s liturgy with all students from K - 6. Once again, Year 6 inspired us with the re-enactment of the Resurrection of Christ through a dramatisation. It was great to see parents there to celebrate this with us.

Excerpt from Pope Francis’ Easter Message : What does it mean that Jesus is risen? It means that the love of God is stronger than evil and death itself; it means that the love of God can transform our lives and let those desert places in our hearts bloom.

God’s mercy can make even the driest land become a garden, can restore life to dry bones. (Ez 37:1-14).

SOLEMNITY
The Annunciation of Our Lord - 8 April.
The Solemnity of the Annunciation celebrates the coming of the Angel Gabriel to the Virgin Mary to announce to her the special mission God had chosen for her in being the mother of His only son. What can this day teach us? When we come to an important day in our lives, we can easily find our minds clouded by the possible consequences, or even more, by partial knowledge of them. How can we ever move when there is so much good and evil which ever way we go? The Annunciation gives us the answer. God’s grace will give us the strength to move, even if the fate of the whole world is hanging in the balance. After all, God does not demand that our decisions should be the correct ones (assuming that there is such a thing) only that they should be rightly made.

EASTER RAFFLE
A big thank you to our Student Council members who ran the Easter Raffle and raised $194.80 for the Missions. The winners of the raffle were Zoe McDonald and Hunter Winkler.

PROJECT COMPASSION
Thank you to all those families who made the effort to contribute to Project Compassion this year. Our contributions have realised more than $950. Meanwhile, Y6 took upon themselves to raise $300 on their own to build a toilet block in an African village.

Congratulations Year 6, well done!

What a brilliant day, 26 teams hit off in the morning and 32 teams in the afternoon, seeing around 230 keen golfers, sponsors, parents, grandparents and friends of the school enjoy a fantastic day out. The morning teams had the heat to contend with and it was looking more so for the afternoon players, but thankfully a small thunderstorm cooled things down for us.

We must once again say a huge thank you to Michael and Benice Dougherty for their continuing support of our Golf Day. The day could not be possible without the generous sponsorship of the many business houses in and around Coffs Harbour. A list of these sponsors is attached to this Newsletter.

Without the continued support of the many parents, grandparents and friends who help out, the day would not run as smoothly as it does. Thank you to these helpers for all the hours and hard work you put into this day.

LARC MATTERS
A very important part of our LARC services is the Lyle Campbell Collection. This collection was started many years ago in memory of a parent and great supporter of St Augustine’s School, Lyle Campbell. The collection is designed to support parents through providing good quality literature about many of the topics that pop up when raising children.

More recently, the Parent Assembly of our Diocese has been contributing to this valuable resource through donations of current and topical books to support parents in their role.

We have recently received a donation of new books, which are currently being accessioned to join the collection on the shelves. There are three books for the Lyle Campbell Collection and three for the children’s shelves.

We are very grateful to the Parent Assembly for their ongoing support, and in particular, thank Shelley Plummer for delivering our new resources and being our St Augustine’s representative in this valuable support network.

Please come into the LARC to view the collection at any time and see what kind of things we have on offer that may help you and your family.

See you in the LARC
Annie Madden—Teacher Librarian

EARLY AND LATE TO SCHOOL
We ask that parents do not drop their children to school before 8:30. The first bus arrives at 8:15 and no student should be at school before this time. There is minimal supervision at 8:15 until 8:30 when three teachers and teacher assistants begin playground duty.

It’s important that children get to play and socialise before going into class. Students who arrive late miss this opportunity and often walk into the classroom after the first instructions are given. This can cause anxiety and an unsettled start to the day.

A reminder that if a student is late to school they MUST be accompanied by their parent to the office to receive a late note. This is recorded as a part absence in the roll.
MEDICAL ISSUES
If your child presents unwell before school it is advisable to keep them home. There have been some nasty ‘bugs’ around recently and the flu season will be upon us shortly.

There have been a number of children who are experiencing skin infections such as school sores at the present time. Please consult your doctor if you suspect this is the case. Students who have a skin sore should have it completely covered whilst at school.

ANZAC DAY
Our school is always well represented in the Anzac Day March and once again we encourage every student to come along and march behind the school banner.

This year Anzac Day falls in the holidays so we will be unable to remind children before the day.

Parents are asked to bring the children to the area in front of Genesis gym at 8.45am where staff will be waiting. Students should wear full school uniform, including a hat. A water bottle is also handy on the day.

THE GREEN SPOT
FUNDAMENTAL SKILLS
Skipping has become a popular activity for the children before school and during lunchtime. Below are some teaching cues while skipping with your children at home.

• Show your child how to jump on the balls of their feet. Demonstrate how to jump up and down while keeping your feet slightly apart and your back straight. Tell your child to land softly after each jump and to keep their knees slightly bent. Tell your child to keep their shoulders relaxed and their elbows close to their body. Pretend you are holding a jump rope at your sides and tell your child to do the same.

• Give your child the jump rope. Tell them to slowly swing the rope forward over their head and then under their feet. Make sure they continue to keep their back straight, elbows in, shoulders relaxed and head up as they jump. Tell your child to focus on doing just a few jumps correctly. After they accomplish this, encourage them to try to increase the number of consecutive jumps.

SCHOOL LUNCH BOX IDEAS
Rice and Vegetable Fritters
Ingredients
• 2 cups cooked white or brown rice
• 1 medium zucchini grated
• 1 medium carrot grated
• 1 cup frozen peas
• 50 g shaved ham chopped
• 1 tbsp mint chopped
• 1/4 cup vegetable oil
• 2 tsp light sour cream
• 1 tsp sweet chilli sauce
• 4 eggs lightly beaten
• truss tomatoes, baby spinach and rocket mix to serve

Method
1. Combine eggs, rice, zucchini, carrot, peas, ham and mint in a bowl. Season to taste with salt and pepper and mix well.
2. Heat oil in a large frying pan on medium. Cook 1/4 cup of mixture in batches for 2-3 mins each side until firm and golden. Repeat with remaining mixture. Drain on kitchen paper.
3. Meanwhile, mix together sour cream and sweet chilli sauce. Transfer to a small container. Pack fritters in lunchbox with tomatoes, spinach and rocket leaves and container of sour cream mixture for dipping.

TIP
Fritters can be made the night before and chill. Pack cold for lunch.

Watch this space for more great lunch box ideas.

ALBANY STREET PICK-UP ZONE
We ask all parents and carers help staff ensure the Albany St drive through zone runs efficiently of an afternoon. Unfortunately, some cars arrive before the 3:00pm bell and are parked in this zone which is marked with a “No Standing” sign. This prevents a free flow of traffic. Drivers who wait in the “No Stopping” area in Albany street can be fined.

The children are walked down to the pick-up area after the 3:00pm bell sounds. It’s important that parents and carers do not park and wait in the “No Standing” lane. If your child is not ready you must keep driving and do a loop so that traffic keeps moving. As you can imagine the first 5 minutes are quite hectic and parents who leave it a little later get a clear run through.

We appreciate the difficult traffic conditions at this busy part of the day. Our aim is to keep everyone safe and to minimise congestion.

Hand, Foot and Mouth Disease Alert

To: Directors of NSW Early Childhood Education and Care Services

Dear Director,

Parts of NSW are currently experiencing an increase in reports of Hand Foot and Mouth Disease (HFMD) in young children.

HFMD is a common viral infection that generally causes a relatively mild, self-limited illness. It can rarely lead to more serious complications such as viral meningitis (infection of the lining of the brain and spinal cord).

What you can do:

- Please familiarise yourself with the *Staying Healthy in Childcare* (5th Edition) factsheet on Hand, Foot and Mouth Disease (attached) and make sure all of your staff are also aware.
- Reinforce the key prevention messages for Hand, Foot and Mouth Disease:
  - Advise parents to keep sick children at home until they are feeling well and all blisters have dried.
  - Make sure staff and children practise cough and sneeze etiquette and hand hygiene.

Ensure that appropriate cleaning practices are being followed. Please remember that the HFMD virus can survive in the environment, usually on surfaces such as bench tops, door handles and toys. Please ensure rigorous cleaning of the environment when there have been children with HFMD to help to break the chain of infection.

Further information:

- NSW Health *Hand, Foot and Mouth Disease* Factsheet
- Your local NSW Public Health Unit - 1300 066 055
- Phone *healthdirect* on 1800 022 222 – this is a free call and nurses will provide you with more information.

Yours sincerely
