Dear Parents and Carers

First of all a big thank you for the warm welcome I have received since starting last week at St Augustine's school. Many staff and students, past and present have told me that the school is a wonderful place and that certainly has been evident as I have walked around watching the children play and learn. I would like to acknowledge especially Leanne Feltis who has helped make my transition to the school very smooth. I certainly am very blessed indeed to have the privilege of leading the school, building on the traditions of providing a quality Catholic education, with an emphasis on high standards in a nurturing environment.

Book this date in! The Annual St Augustine's Golf Day will be held on Sunday 8 March and the organising committee have been hard at work getting the details ready. Booking times will be out shortly but it promises to be another great day of social sport and fun. Also as it’s organised on the 'Ambrose' format, it is great for all abilities and is forgiving for wayward shots. More details on page 6.

Last Tuesday the first P&F Meeting was held with lots of new faces and great ideas. The AGM was also held and positions vacated and filled and a special thanks in advance to the volunteers that are crucial to running the parent organisation. The positions filled are: President - Steve Appleton; Vice President - Judy Arragon; Treasurer - Helen Parr; Secretary - Nicola Murray. Items discussed were the various events, social and fundraising as well as project priorities, especially the 'hill' play area for the K-2 children. The next meeting will be held on Tuesday 3 March, all welcome.

Kindergarten had their first half days at school this week and what an amazing group they are! They got straight into playing, drawing, reading, socialising, working and having fun together. Check out the school Facebook page for more photos.

Next week, two of our teachers, Mary Machatsch and Erin Lyons, will be a part of the Future Leaders program facilitated by the Diocese to develop leadership and teaching skills. This program will assist the professional development of these two and will help the whole school by developing capacity. Congratulations to Mary and Erin for being selected for this program.

The Parent Information Night will be held on Tuesday 17 February and this is a good chance to see what, when, how, where and why learning happens each day. Teachers will also give practical tips on how you can support learning at home so together we can get the best possible result for each child. I encourage all parents to become involved.

Year Two and Four will be attending Mass on Friday 13 February at 9:15 am. If you would like to come along you are more than welcome. Lent also is just around the corner with Ash Wednesday on Wednesday 18 February, and all children will receive the ashes. Years 3-6 will attend the Church from 9:15 am and Years K-2 will be in hall at 10:30 am. If you have any questions about Ash Wednesday or Lent don’t hesitate to contact either your class teacher, Paddy Dent or Mary Machatsch.

Cross Country Race: Friday 20 February. With all the wet weather it has been impossible to do a lot of training at school so if you get a chance, encourage your children to have some trial runs during home time.

Grace and peace

CATECHETICAL NEWS

2015 STUDENT COUNCIL

Last Friday we had a special liturgy in the Church for Years 1 to 6. The 2015 Student Council was inducted during the liturgy. Father Paul Winter had a very important message about leadership for the students. Mr Dent made an excellent point as well – all students in Year 6 are leaders at our school. They have made a great start and we, the staff, will be guiding them along the way.

Captains: Mariah Anderson & Nicholas Bulloch
Vice Captains: Lara Baker & Adam King

Mary Machatsch – Leader of Catechesis

Changes to School Attendance Guidelines

Please note, from the beginning of 2015, the Minister for Education has approved changes to school attendance requirements.

HOLIDAYS TAKEN BY STUDENTS OUTSIDE OF SCHOOL VACATION PERIODS WILL NOT BE SUPPORTED BY A CERTIFICATE OF EXEMPTION. Families are encouraged to holiday or travel during school vacations. If travel during the school term is absolutely necessary an explanation should be given to the Principal.

School is important. Students who miss days at school miss important learning opportunities. If possible, parents and carers should avoid bringing their children to school late or collecting them early. School hours are 8:50 am—3:00 pm.

All families are warmly invited to the first P & F activity for the year, the Big Banana Waterslide Night. This will take place on Friday 13 February from 5:00 pm until 7:00 pm. A BBQ will operate so you are able to feed the family while you’re there. If you can help on the BBQ please contact Stephen Appleton on 0457 860070. More info on page 8.

ALBANY STREET DRIVE THROUGH ZONE REMINDER
Just a reminder when you are using the Albany Street Drive through zone you must not park and wait for your children. The traffic needs to flow so please keep moving if the Big Banana Waterslide Night. This will take place on Friday 13 February from 5:00 pm until 7:00 pm. A BBQ will operate so you are able to feed the family while you’re there. If you can help on the BBQ please contact Stephen Appleton on 0457 860070. More info on page 8.

Please do not get out of your car to go and get your children. Staff will bring your child to you if you are driving through.

It would be most helpful if you could have your surname on your sun visor. This helps staff to get children into cars quickly This is especially needed for rainy days so that staff are not getting drenched running up and down to ask drivers who they are collecting. Please contact the office if you would like a visor label with your name on it (sample below).

Thank you for helping us keep your children safe.

CHBA’s 2015 Summer Primary School Competition – Basketball
Students who are interested in playing basketball have been signing up for teams at school. It is not too late to join a team. Please ask your child to get an information flyer from Ms M’Dermid if they are interested in playing.

Teams also need your help! For teams to be accepted in the nomination process, two adults are required to be associated with each team (coach and manager). Basketball experience is helpful, but not necessary, in order to fill these roles. Parents/carers or community members who are interested in helping a basketball team can contact Ms M’Dermid to register their interest.

MILO in2CRICKET ‘After School’ Centre
Cricket Australia, CricketNSW and Nestle Milo have combined forces to offer a MILO in2CRICKET ‘After School’ Centre. This program aims to introduce girls and boys to Australia’s favourite sport. It’s great fun, safe and teaches basic skills to help kids learn to play just like their Australian cricket heroes.

The nearest centre is being held on the St Augustine’s Primary School field. It commences on Monday 9 February with a FREE ‘Come & Try’ clinic. Students who are interested in this need to register online at www.in2cricket.com.au or contact Ben Heaton on 0419 642 034 for more information.

LARC MATTERS
Most students at St Augustine's know that one of my favourite authors is Jackie French and that is why I was particularly delighted to hear she had been named as 'Senior Australian of the Year' on Australia Day. Like many of you, I was first introduced to Jackie on the iconic TV show ‘Burke's Backyard’ back in the 1990s where she discussed all things 'environmental' in her regular spot. Her passion for the environment and Australian animals, in particular wombats, has been her flagship, as well as creating so many wonderful stories of all kinds for both children and adults. She is also emphatic about the importance of reading for our children and how much they can achieve with a sound platform of empathy and knowledge gleaned from reading fiction. We proudly have around 70 books written by Jackie in the LARC and many of them are on regular borrowing rotation. I haven't seen ‘Diary of a Wombat' on the shelf for weeks! For more information on Jackie French go to www.jackiefrench.com This includes a clip of her Senior Australian of the Year acceptance speech.

After much excitement and a great deal of reading, the winner of the Summer Reading Club raffle was drawn yesterday at lunch time. The idea of the raffle is that over summer you individually complete a Log listing the books you read. Every 5 books becomes an entry into the raffle. This has been the fourth summer for the Club and I congratulate and thank every student who participated. They have enjoyed their reading and have kept up their reading skills over the holidays. Well done! But, there can only be one winner and that was Peri Carrett in Year 3. Congratulations, Peri. I hope you enjoy your reading and activities found in your prize pack.

See you in the LARC

Catholic Schools Parent Assembly
The Catholic Schools Parent Assembly was formed in 1996 to further the mission of the Catholic Church in education by assisting parents where possible. It engages as a partner in the educational ministry of the Church in areas of faith enrichment, networking and support, parenting education and advocacy. Each school in the Diocese has representatives on the Parent Assembly. For the past four years our representative has been Mrs Shelly Plummer. Shelly has been a wonderful representative and we thank her for the contribution she has made. Shelly’s tenure is now complete and we are seeking parents who may be interested in taking on the role. Ideally, for a school our size, two representatives would be ideal. It is not an arduous commitment but a very rewarding and important one. If you would like to know more about the role please contact our Principal, Peter Watts.

IGA Community Benefits
Did you know that if you make a purchase at IGA supermarkets our school can receive a cash contribution? Simply ask for a Community Benefits card and have it connected to St Augustine’s School so we can reap the rewards.

Amart Sports
Our school can also redeem points that can be turned into vouchers and equipment from Amart Sports. Please mention our school when making a purchase. It all adds up!

THE GREEN SPOT
Welcome back to another school year and fortnightly updates from The Green Spot. As the school year begins the weather is still remaining quite warm and therefore this week we will give you some tips to ensure your child has a hygienic lunchbox at school.

Safe Lunchboxes
In most cases, food is stored in lunch boxes for several hours, so the lunch box needs to stay cool.

Food safety suggestions include:
 ✓ Choose an insulated lunch box or one with a freezer pack, or include a wrapped frozen water bottle to keep the lunch box cool.
 ✓ Follow hygienic food preparation methods. This is especially important when food will be stored in the lunch box for many hours before eating.
 ✓ Perishable foods such as dairy products, eggs and sliced meats should be kept cool and eaten within four hours of preparation. Don’t pack these foods if just cooked. First cool in the refrigerator overnight.

Top Ten ideas for healthy fun lunchboxes

1. The three bowl approach: fill one bowl with fruit, one with treats and one with dairy (such as tubs of yoghurt or cheese sticks). Let the children make their own lunches by selecting one item from each bowl. Just add a sandwich, a bottle of water and lunch is ready.
2. Moving on from bread: try bagels, wraps, multigrain sandwich crackers, pita bread, hot cross buns, scones or pikelets.
3. The surprise factor: Okay, so your child will not budge from the Vegemite sandwich. Introduce the unexpected by cutting their Vegemite sandwich with a cookie cutter. It may well be their first step in understanding that variety is the spice of life.
4. The leftovers lunch: Cook a little extra dinner the night before and save for lunch the next day. Roast chicken, pasta salad, quiche, homemade pizza slices and sausages are just a few examples that are delicious cold for lunch.
5. The lunchbox: If you use a lunch box that keeps food chilled, you can send tubs of yoghurt, small containers of dip or cottage cheese mixed with pineapple pieces to school without fear of salmonella poisoning.
6. Perfect packaging: hard boiled eggs, small tins of baked beans or tuna and the zip lock bag are a sandwich’s best friend - no spills; no soggy sandwich.
7. Filling fillings: banana and honey; mashed egg and mayonnaise; ham, cheese and tomato; cream cheese, tuna, cucumber and carrot.
8. The love note: add a little message from you to brighten their day, and their lunch if they’re not going to be happy with what you snuck in!
9. No sneaking things in: Kids will be more likely to eat their lunch if they have had a hand in preparing it. See idea 1.
10. Find something new: ask other mums what they offer their kids for lunch at Kidspot Social.

**Incitāre**

*Incitāre* is a gathering for selected Year 6 students from Parish Primary Schools based in Regions of the Diocese to celebrate their faith at a Diocesan level.

The Gathering will be a chance to bring students together to meet like-minded peers and to celebrate with other young people who practice their faith. The activities will be a mixture of large and small sharing groups as well as celebrating a Liturgy together. The program has been geared to meet the needs of these Year 6 students.

The gathering will be a one day experience that will allow students to build relationships with other students from throughout their region of the Diocese as well as a chance for students to talk and share about their faith journey.

A large number of St Augustine’s School students have already expressed an interest in this event. We can, however, only offer 18 places. Attention should be given to the stated selection criteria. Nominations should be handed to Mr Dent no later than Tuesday 17 February 2015.
CHANGES TO MUSIC LESSONS 2015

Music teachers are offering tuition to students in Years 3 to 6 as they have done previously. However organisation and administration will be done by the music teachers themselves. The school will provide the rooms for lessons and students will be allocated a time during the week for this to take place as has been the case to date.

All accounts will be invoiced by the music teacher. Parents will pay the teacher directly, therefore all communication concerning your child’s lessons will be directly with the music teacher.

The following teachers will provide lessons in 2015:
