Dear Parents, Carers and Staff

Proclaim Website
www.proclaimlismore.com.au

You may or may not have heard the word Proclaim from teachers over the last year or so. Proclaim is an exciting new direction in Catholic education. Last year, 2,200 teachers and staff in the Diocese of Lismore came together to start looking at ways we can build a stronger Catholic future for our young people. We called this Proclaim Lismore 2013.

We’ve recognised that the world our students are growing up in is one that’s very different to what we experienced. We all face the challenges that this fast-paced, globalised and technology-driven world brings. Parents and caregivers also deal with more complex demands on their lives than in previous times – we have less time, greater financial pressures, evolving technologies, more distractions and moral minefields to guide students through. These realities have also impacted on the Christian way of life for us and our children.

To offer your child the best opportunities for a well-educated and meaningful life we need to work together as a community – as family, school and parish.

Proclaim Lismore 2014 is an unprecedented opportunity to join with us as partners in co-designing an even stronger and more effective Catholic schooling for each child – intellectually, emotionally, physically and spiritually.

We’d like to invite you to take the first steps with us on this adventure. In October, we’ll be holding Proclaim Lismore Parents gatherings and you’ll hear more about these over the coming months. You’ll also be receiving e-bulletins and other forms of communication during the year and we’ll be looking for your ideas on how we can respond to the challenges facing our children.

We need your help to co-design a stronger Catholic education for a new generation of students.

Please join the conversation of Proclaim Parents 2014.

David Condon
(Director, Catholic Schools Office)
The Season of Lent began on Ash Wednesday 5 March.

Traditionally, St Augustine’s School, parents, carers and staff gather in the Church with the Parish to acknowledge the commencement of the Season of Lent by receiving ashes on their foreheads and praying together for the success of their penitential season of self-denial, helping others and prayer.

This will culminate in the celebration of the Easter Season, forty days later, when Jesus rises from the dead.

Each year the children of St Augustine’s take into their homes a Project Compassion box. This box, a symbol of Caritas’ ‘Project Compassion’, enables families to set aside small amounts of money to donate to those less fortunate in Australia and overseas.

Recent disasters such as the cyclones of the Philippines and Tonga (including our sister school St Joseph’s, Ha’pai) demonstrate to us how fragile the homes and livelihoods of our neighbours can be.

We ask you to support Project Compassion this year by donating through the Project Compassion boxes.

Please return your box through the school in the last week of Term 1 (by Friday 11 April) so your donation can become part of the Parish gift collected at Mass on Holy Thursday night.

**LARC Matters**

Our Early Bird Reading Club is an activity designed to encourage students to read more regularly. Early Birds operates from Tuesday to Friday from 8:30 am in the LARC. It is a low key, very positive reading experience, particularly targeting students who feel they need some extra reading practice. We are assisted by Teacher Assistants and volunteer teachers to provide opportunities to orally read aloud for a few minutes to gain extra reading time.

If you feel your child could benefit from some extra reading opportunities please encourage them to pop into the LARC before school to be a part of our club. All they need to do is come along and we will ensure they get started.

Phil Kettle was a huge hit with students and teachers alike when he visited our school. He was both funny and informative, and a very experienced presenter. We have many of his series in the LARC, although a lot are out being read at the moment. We have his books on a display stand so they are easy to locate if you are looking for one.

*See you in the LARC*

CHESS NEWS
Look who popped in on Monday afternoon. It was lovely to see Lachlan Golding, Brock Symons, Adam Bain and Noah Dalton visiting their old school. Mr Madden presented them with their long-awaited trophies for the Country Chess Championship held late last year in Sydney. The beautiful trophies were well worth the wait. Congratulations once again, boys. Mr Gelagin spoke some kind words in praise of the boys and their super supportive parents.

Chess Club meets every Monday. Currently, there are several students playing off each week to see who will be the A Grade Championship Team for 2014. Exciting games are being played each week.

All students are welcome to come along to the 3G learning space on Monday.

This year St Augustine's Primary School will join Catholic schools across NSW and the ACT to celebrate Catholic Schools Week (CSW) from 9-15 March.

The theme for CSW 2014 is ‘more than a great education’ which encourages schools to showcase for their local community the opportunities available to students, raise awareness, and celebrate the distinctiveness of Catholic schools.

Catholic Schools Week is about strengthening relationships between all those who have a stake in our schools – students, staff, families, priests, parishioners, and members of the wider community, by showcasing what happens in our classrooms every day.

Our school has a supportive community of staff, parents, carers, P&F, clergy and parishioners who work together to focus on giving students the best education possible, encouraging success, promoting learning, supporting creativity and instilling compassion.

Some of the activities at our school during Catholic Schools Week include:

- Monday night 7:00 pm - Year 1 Reading and Technology Information Night for Parents and Carers.
- Tuesday - Chicken Burger Day for Years 5 and 6.
- Wednesday night 7:00 pm - Kindergarten Reading and Homework Information Night.
- Friday - Guest speaker from Caritas.
- Friday - Year 3 Grade Mass at 9:15 am at St Augustine's Church.

Parishioners and families are invited to John Paul College for the following activities:

- Monday 10 March 9:00 am Prayer Assembly around the bust of Blessed John Paul
- 5:45 pm Families of Year 7 Students Belonging Night
- Tuesday 11 March 9:10 am celebrate Mass in the College Chapel
- 3:40 pm Yrs 10 and 11 Parent Teacher Night
- Wednesday 12 March College Tours at 9:30 am or 10:30 am or 11:30 am, please meet at the College Office

For further information, please contact the College Office on 66533155.

**Kindergarten and Year 1**

**Reading and Technology Info Nights**

You will note in the calendar there are two important information nights for parents and carers of students in Kindergarten and Year 1 next week.

- Monday 10 March 7:00 pm – Year 1 Parents Reading and Technology Information Night in Year 1 Cohort Learning Space.
- Wednesday 12 March 7:00 pm – Kindergarten Parents Reading and Homework Information Night in Kindergarten Rooms.

**MANNERS**

At our school we aim to ‘make Jesus real.’ Good manners are important every day but on the first day of the school week we have “Manners Monday” just to raise awareness of practising good manners. We work with our students each day on this. Our staff are always here to help you and are generous with their time. We ask that parents and carers also show good manners when interacting with staff at school.
OUTSIDE SCHOOL HOURS CARE

After School Care
A friendly reminder, it is essential to advise OSHC if your child/ren is due to attend After School Care and is absent from school and/or not attending for that day, please notify Educators by calling 0417 666 494 before 1:00 pm. This will alleviate Educators spending additional time looking for your child at roll call.

Active After School Care Sports
Active After School Care Sports is still being thoroughly enjoyed by all the children. On Tuesdays (soccer) and Thursdays (cricket) children are learning a range of skills and drills that are included within each session. We have had great feedback from the children. They love all the activities involved in the entire Active After School Care Sport sessions and are happy to be involved.

Vacation Care
We are getting excited about the Term 1 school holidays as we are planning many new and wonderful activities for the children to be involved in. We are hoping to have the program finalised and available by 14 March so families can get their vacation care organised and get bookings in as soon as possible.

Donations of any newspapers, shopping bags, craft material or Easter craft ideas/materials would be very much appreciated by OSHC (please drop them in to the OSHC room).

Invoices
Invoices have been posted out and sent home via children. These need to be bought up to date. It is important that the account is not in arrears especially from the 2013 year. It is vital to the operation and continuation of the service provided that the fees are paid and the accounts up to date. As part of the enrolment and the accounts payment policy in the enrolment application it is important that accounts are to be finalised within seven days. Future bookings may not be taken where fees are in arrears. Your attention to this is appreciated.

NB: Bookings for Vacation Care or future After School Care Bookings will not be accepted if fees are in arrears from the previous term.

SCHOOL MUSICAL—’THE WIZARD OF OZ’

WANTED—COSTUME DESIGNERS AND COSTUME MAKERS!

This year our school musical, "The Wizard of Oz", will be performed in September. If you have an interest in costume design and/or costume making or even if you can do basic sewing please contact Julie McCabe on the email address below.

Are you able to help create props and set scenes? These will all be very simple and mostly made from cardboard, paper and paint.

Helpers will also be needed closer to the performances for make-up and hair etc.

All helpers please email Julie McCabe at jmccabe@lism.catholic.edu.au
In PE we are now working on the ‘Overarm Throw’ as our next Fundamental Movement Skill. A video has been put on the KnowledgeNet Noticeboard so you can take a look at home. Students should show proficiency in the Overarm Throw by the end of Year 4. However there are many introductory components for students to work on before this, and Years 5 and 6 can start to increase their accuracy and distance, as well as applying the throw strategically in games.

**Skill components**
1. Eyes focused on target area throughout the throw.
2. Stands side-on to target area.
3. Throwing arm moves in a downward and backward arc.
4. Steps towards target area with foot opposite throwing arm.
5. Hips then shoulders rotate forward.
6. Throwing arm follows through, down and across the body.

(Introductory components marked in bold)

A great little game to play at home or at a park is ‘Throw Golf’. Set up your own course! Instead of using a golf club, the idea is to make the target in as few throws as possible. I would love to hear about any ‘hole in one’!

**Turn off the television and computer and get active**

The National Physical Activity Guidelines for Australian Children (5-12 years) recommend that kids and teens spend no more than two hours each day on small screen activity. This includes television, computers and other devices.

**Why reduce screen time?**

Children who spend more than two hours watching TV or playing on small screens, generally:-

- have less time for physical activity
- are at risk of becoming overweight
- tend to eat more often and more unhealthy snacks

**Tips for parents to reduce screen time**

Monitor children’s use of television and small screen devices, set limits and encourage children to play outside during daylight hours.

Don’t allow television or computers in children’s bedrooms. Keeping televisions and computers in a common room enables you to monitor their use.

Encourage children to participate in other activities that involve physical activity as well as other indoor and outdoor games.

In accordance with our 2014 - 2018 Strategic Plan we will be focusing on e-Learning and technology this year.

The next meeting will have a more school-based focus where we will consult and work with carers on school policies and user agreements around technology. It will be held at 7pm on the 25 March Week 9 - Term 1, in the school hall.

The third meeting will coincide with the long awaited return of the School Social. These meetings will be held with carers during the social times. There will be opportunity for discussion and conversation around the school’s future plans in the area of technology and will also be an opportunity to meet and talk with other parents and teachers.

The dates for the socials and coinciding parent meetings are as follows:

Year 1 & 2  14 May - 7pm  
Year 3 & 4  21 May - 7pm  
Year 5 & 6  28 May - 7pm

[Kinder will have a reading / technology focus on 12th March]

We look forward to your thoughts and participation at these important meetings which we hope are building blocks towards developing digital citizens of the future - your children!
