Dear Parents, Staff and Children

*When God Created Mums.*

When the good Lord was creating mothers, He was into his sixth day of overtime when an angel appeared and said, “You’re doing a lot of fiddling around on this one.”

And the Lord said, “Have you read the specifications on this order? She has to be completely washable, but not plastic, have 180 moveable parts, all replaceable, run on black tea and leftovers, have a lap that disappears when she stands up, a kiss that can cure anything from a broken leg to a disappointing love affair and six pairs of hands.”

The angel shook her head and said, “Six pairs of hands? No way!”

“It’s not the hands that are causing me the trouble, said the Lord. “It’s the three pairs of eyes that mothers have to have,”

“That’s on the standard model?” asked the angel.

The Lord nodded, “One pair that sees through closed doors when she asks, ‘What are you kids doing in there?’ When she already knows.”

“Another in the back of her head that sees what she shouldn’t but what she has to know.”

“And of course, the ones in front that she can look at a child when he gets himself in trouble and say, ‘I understand and I love you’ without so much as uttering a word.”

“Lord,” said the angel, touching his sleeve gently, “go to bed, tomorrow is another …”

“I can’t,” said the Lord, “I’m so close now. Already I have one who heals herself when she’s sick, can feed a family of six on half a kilo of mince and can get a nine year old to stand under a shower.”

The angel circled the model of a mother very slowly.

“It’s too soft,” she sighed.

“But tough,” the Lord said excitedly.

“You cannot imagine what this mother can do or endure.”

“Can’t think?”

“Not only think, but it can reason and compromise,” said the creator.

Finally the angel bent over and ran her fingers across the cheek. “There’s a leak,” she pronounced.

“It’s not a leak,” said the Lord, “it’s a tear.”

“What is it for?”

“It’s for sadness, disappointment and loneliness and it’s also for happiness, joy and pride.”

And the angel said, “Lord, you’re a genius.”

CATECHETICAL NEWS

MOTHERS’ MASS
St Augustine’s celebrated a Centenary Year Mothers’ Day Mass in the church today with a beautiful liturgy, singing and a whole lot of love. It is always overwhelming to see so many mothers and grandmothers present at our Mass and our School Chaplain, Fr Shelwin Fernandez, greeted us all so welcomingly.

Have a happy day on Sunday mums, see you at Mass.

MOTHERS’ DAY PRAYER

I Said A Mother's Prayer For You
I said a Mother's Day prayer for you to thank the Lord above for blessing me with a lifetime of your tenderhearted love.

I thanked God for the caring you've shown me through the years, for the closeness we've enjoyed in time of laughter and of tears.

And so, I thank you from the heart for all you've done for me and I bless the Lord for giving me the best mother there could be!

And Grandmas too...
While we honor all our mothers with words of love and praise. While we tell about their goodness and their kind and loving ways. We should also think of Grandma, she's a mother too, you see.... For she mothered my dear mother as my mother mothers me.

The Sacrament of Confirmation
A number of our Year 2 students are continuing their faith journey through the sacrament of Confirmation. The children are involved in a program held at the St Augustine’s Parish to learn about and understand the gifts of the Holy Spirit, which they will receive through the sacrament of Confirmation. Confirmation is the second sacrament of initiation into the Church, the first being Baptism and the third, Eucharist. By the sacrament of Confirmation, (the baptised) are more perfectly bound to the Church and are enriched with a special strength of the Holy Spirit. Like Baptism, Confirmation is given only once, for it too imprints on the soul an indelible spiritual mark, which is the sign that Jesus Christ has marked a Christian with the seal of his Spirit. It is evident from the celebration that the effect of the sacrament of Confirmation is the full outpouring of the Holy Spirit as once granted to the apostles on the day of Pentecost.

The Ascension of the Lord
The Ascension of the Lord, is celebrated forty days after the Resurrection. It commemorates the day when our Lord ascended into heaven, to be with His Father and will be celebrated in the church this Sunday, 12 May. The children at St Augustine’s have gone through the motions of Holy Week and found joy in the celebration of Easter. Therefore, it would be faith enriching for them to be at Mass this Sunday to mark this special day to remember Jesus.

Pentecost Sunday
Pentecost Sunday will be commemorated this year on 19 May, fifty days after Easter. We remember that just as Christ had promised, the Holy Spirit descended upon the Apostles and granted them the ‘Gifts of the Holy Spirit’. The Apostles began to preach the Gospel in many languages and about 3,000 people were converted and baptised that day. Again, this is a special day in the Church, which you are invited to celebrate on Sunday 19 May.

THANK YOU
Carol Cowling and her children, Joss, Lillie-Ann, Brodie and Jessica wish to sincerely thank each and every one of you who has been there for them at this very sad time – they are touched by the comfort, warmth and overwhelming support received from the St Augustine’s School Community after the sudden loss of their husband and dad, Troy Cowling.

Please contact Mrs Kama on rekama@lism.catholic.edu.au Thank you.

**Centenary Corner**

The samples of the Centenary jumpers to commemorate our celebrations have arrived. They can be ordered through the office. The prices are $65 for adults and $55 for children. They can be ordered with short or long sleeves. There is a child sample and an adult sample to have a look at for sizing. What a great momento for your child, past students and parents to have to remember this significant occasion at St Augustine's School. Come in and have a look.

During our Centenary year St Augustine’s has been privileged to host visitors from past Principals to past students. One of our special visitors last term was Sr Yvonne Channells. Upon being greeted by Mrs Feltis in the school foyer, Sr Yvonne was surprised to find a photo of herself & her sister (circa 1948) on the St Augustine's Centenary banner. Sr Yvonne Channells was a student here in the late 1940's and taught at the school in the 1970's with the Sisters of Mercy. She was also Assistant Principal.

This snapshot illustrates how photos can connect people across time. We would love to hear from St Augustine’s families, past and present, to record, share, and preserve their stories as part of our Storyboard Project. It is an opportunity for your story to connect with others, bring back memories and is a unique way to help celebrate our Centenary.

Call 6652 1204 and ask for Leonie Hewitt.
OUTSIDE SCHOOL HOURS CARE

ASSESSMENT AND RATING VISIT
ACECQA has published the national registers for children’s education and care services on its website. This is the first time quality ratings under the new National Quality Standard (NQS) have been released, with ratings for around 2000 services now available online. The registers provide open and transparent information to families about children’s education and care services. Every service receives a rating for each quality area and an overall rating. These ratings must be displayed by each service.

Inga Jensen, ACO of the Mid North Region from Early Childhood Education and Care Directorate visited our Service on Thursday 18 April for an Assessment and Rating Visit for Vacation Care. She observed the interaction between staff and children, staff and parents/carers, observed staff working in accordance to Policies, Procedures, Philosophy and Aim. All paperwork involved in running the Service was thoroughly checked, interviews with the Coordinator (Brigitte) and Administrator (Tess) and discussions with Educators (Sue and Theressa) and several parents were undertaken. The final rating will not be known for some time, but we were told at the end of the day ‘some beautiful things had been seen’ and ‘no breaches were evident’….we were very happy with that! We would like to thank everyone involved in making this a great service. Thank you to all parents/carers for their faith in us and a big thank you to the children for their behaviour and cooperation while at care.

BOOKINGS AND CANCELLATIONS
As you can understand it is very important to book your child in at OSHC and VC in a timely manner, however, it is just as important, to let us know your child is NOT attending when they have been booked (due to illness, absence etc). If we have not been advised, staff both at OSHC and the School Office frantically try to find the child on the school premises. Please leave a message on the OSHC phone advising your child will not be attending by 2:00 pm on the day of care. This would help us greatly with our staff:child ratio and not create panic if your child cannot be located. Thank you for your cooperation.

Staff Development Day
The Service will be open from 8:00 am until 6:00 pm on Wednesday 29 May due to the Staff Development Day. Booking Sheets will be ready soon. Children will stay on the school premises to ease the burden of additional costs to families. A full day of activities has been planned for the children.

(VACATION CARE
Vacation Care was very well attended last holidays. We visited the Clog Barn, Links Gym Superstar Sport, Brelsford Park and Birch Carroll & Coyle. We did lots of fun stuff in and around the OSHC room (sewing, planting, art and craft, being sporty, etc). Our Restaurant Day was again a very enjoyable and yummy day with the children involved in setting up a bistro and cooking their own meals, treats and experimenting with making fresh juices. We even had time for entertainment - karaoke!

Child Care Rebate (CCR) and the End of Financial Year
If you have elected to receive CCB paid as fee reduction payments to your approved service, (or you are assessed at zero rate), you can now choose to have CCR paid to your service as a fee reduction. This will further reduce the gap fee amount you have to pay each week at the service. If you choose this method, CCR will be paid to the service each week, after attendance records are submitted for your children.

NOTE: When you choose a payment option, this will apply for the entire financial year, unless exceptional circumstances apply.

INVOICES - invoices for the term were sent home via your child’s class teacher last week. Please ensure payments are brought up to date before the end of this term to help us meet our financial commitments to the Service and provide valuable resources for your children. Some payments have not been made for quite some time by a number of families and this needs to be attended to please. Thank you.

LOST PROPERTY – Please check that your child’s belongings are in their bag when you pick up him/her up from ASC. We are frequently inundated with water bottles, homework folders, hats etc.

PLAYGROUP
This term is only a short term (9 weeks) and playgroup will only get together for 8 weeks due to the Staff Development Day on Wednesday 29 May. We get together each Wednesday from 9am to 11am. Please bring a plate to share. All are welcome to come along.

We appreciate any feedback you want to give us in regards to improvement or praise of our After School Care and Vacation Care service.

Please contact Brigitte (0417 666 494 or bkliners@lism.catholic.edu.au ) to enrol your child into St Augustine’s OSHC so enrolment orientation can be organised. Thank you.

(Also there will be a Staff Development Day on Friday 28 June, so please mark this in your diary)
THE GREEN SPOT

Fundamental Skills

All of the children at St Augustine’s have participated in the fundamental skills program for Term 2. The teachers and children have seen a vast improvement in these fundamental skills.

It is encouraging to know we are giving these young children the tools to participate, be confident and enjoy sport at an older age.

This term there are a number of different activities and we are happy to see how well the children have adapted to these activities.

Ask your child what is their favourite skill and see how well they can demonstrate this to you.

Crunch and Sip

St Augustine’s consistently promotes healthy living and making smart food choices. To help children understand the importance of healthy decisions, the school is involved in the Crunch and Sip program.

Crunch&Sip® is a set break during the school day when students can eat fruit (or salad vegetables) and drink water in the classroom.

Whether the break is in the morning or the afternoon, the idea is to help kids to re-fuel and boost their physical and mental performance and concentration in the classroom.

Each day, students bring a piece of fruit (or salad vegetables) to school to eat in the classroom, usually at a set time. In addition, each child has a small, clear bottle of water in the classroom to drink throughout the day to prevent dehydration.

Through Crunch&Sip®, schools can demonstrate their commitment to nutrition education in the classroom by making links with the curriculum and creating a supportive school environment.
