Dear Parents, Staff and Students

As parents we always want the best for our children and one of the key ingredients of good learning is ensuring our children have plenty of sleep. Child psychologists have been a reliable source of advice to parents and their current advice is: “Make sure your children have adequate sleep every night.” The reason for this advice is that children’s behaviour, performance and mood are impaired by lack of sleep.

Sleep specialist, Dr Chris Seton, believes that electronic media and mobile phone use play a part in children’s sleep deprivation. Texting is worse than talking on the phone because kids stay awake waiting for the next message. Although we don’t have good figures for this in Australia, a study of 13 year-olds in the U.S., that included checking mobile phone numbers, found that 45% of them used their phones after 3:00 a.m. He urged parents to be more assertive about keeping computers and televisions out of children’s bedrooms and making it a rule that mobiles stay on the kitchen table until morning.

Dr Seton suggested that the best way to judge how much sleep a child needs is to assess whether it’s enough for them to wake spontaneously - meaning without an alarm clock - on most mornings and avoid tiredness during the day until the last hour before bedtime. When it comes to how much sleep our children need, the general consensus appears to be: 10-11 hours per night for children 6 to 9 years old; 9-10 hours for children 10-14 years old; ages 15 and over need 8-9 hours per night.

Children, nowadays, have a variety of sporting, cultural and academic commitments both before and after school. Even though these activities are important physically, socially and perhaps economically, we parents need to ensure that they are not at the expense of our children’s required level of sleep.

Some of the symptoms of sleep deprivation in children include moodiness and irritability, temper tantrums, the tendency to emotionally “explode” at the slightest provocation, over activity and hyperactive behaviour, grogginess when they wake up in the morning, reluctance to get out of bed in the morning.

Sleep loss can cause a range of schooling problems including poor behaviour, poor concentration and under performance leading to poor academic results. In teenagers, sleep deprivation can lead to problems with impulse control, which leads to risk-taking behaviours and increased risk of depression. Surprisingly, sleep deprivation affects adults and children differently; adults tend to become drowsy, whereas, children tend to “rev-up.”

So, what advice is there for parents to assist good sleeping habits for our children? Well firstly, there is the usual piece of advice: be a role model. Model the importance of sleep, rest and relaxation; maybe model reading before bedtime as a means to relax. No drinks that contain caffeine or food or drinks that contain lots of sugar especially late in the day. Make sleep a number one priority and monitor the effects that multiple after school activities and jobs have on the amount of sleep time that children have available.

Of course, the old saying, “Early to bed, early to rise enables you to be healthy, wealthy and wise” is worthy of consideration (author unknown).

Best Wishes

Jake
Catechetical News

**Yr 6 Liturgy**
The Year 6 Liturgy will be held on Wednesday 6 November at 9:30 am in the classrooms followed by the Learning Journey.

**Yr K Liturgy**
The Year K Liturgy will be held in the church at 9:15 am on Thursday 7 November followed by the Learning Journey in the classrooms.

**Yr 2 Liturgy**
Year 2 will hold their Liturgy on Tuesday 12 November at 9:15 am in the classrooms followed by the Learning Journey.

**Yr 5 Liturgy**
The Year 5 Liturgy will be held in the church on Thursday 21 November at 12 noon, followed by the Learning Journey in the classrooms.

P & F News

**Meeting**
The next meeting will be held on Tuesday 5 November at 7:00 pm in the Library. All welcome!

**Social Bowls Day**
Last Sunday the P&F Association hosted a successful and well attended barefoot lawn bowls afternoon at the Coffs Harbour Bowls Club.

About 25 - 30 school parents and staff gathered just before 1:00 pm in the Legends Bar at the Coffs Harbour C.Ex Club to form into teams of four and be briefed by lawn bowls supremo Jeff Cox. Thirty seconds later all rules were explained and questions answered the teams hit the greens (refreshing beverages in hand).

In the shimmering afternoon heat a round robin event took place over the next few hours. Frequent groans of anguish were punctuated with occasional hoots of delight and then finally the winning team emerged.

A quick raffle and bowl-off for the major prize and then it was back to the Legends Bar to swap stories and apply the after sun cream.

It was a great parents’ afternoon and we look forward to doing it all again next year.

A big thanks from the P&F and the school to Jeff and Tennille Cox for all the organisation and coaching.

Stephen Appleton—P & F Committee President

EMAIL ADDRESSES
If you know of any parent/carer who is not receiving our school emails with Newsletters and notes, please ask them to contact the office and supply us with a current email address.
SPORT NEWS

KnowledgeNET
Check the 2013 Sports News page on KnowledgeNET. If you have information you would like on this page please contact Regan Kama.

Rugby, Football (Soccer) and Netball Uniforms
Please return all uniforms to Mrs Kama as soon as possible, these uniforms are required for future games.

Clarence Summer Sports Trials
The following students will now represent the Clarence Zone at the Lismore Diocese Summer Sports Trials in Coffs Harbour on Friday 22 November 2013. Good luck to all these students!

Basketball—Malina Kama, Lil Potter, Tessa Conlan, Emily Field, Madison Howarth, and Tyler Donovan.
Cricket (boys only)—Dylan Archibald.
Tennis—Regan Dougherty and Jordan Hunter.
Touch Football—Jack Canning, Oliver Canning, Dylan Loader and Byron Knight.

NSW PSSA Athletics
On 16 and 17 October Sophie, Joel and Blair travelled to Sydney to compete in the NSW PSSA Athletics. Congratulations and well done on their wonderful achievements.

Sophie Scott - 100m came 9th in NSW
Sophie Scott - 200m came 13th in NSW
Joel Guy - Long Jump came 10th in NSW
Blair Boulton – Shot Put came 7th in NSW

Sport Enrichment Program
Four of St Augustine’s students have been chosen to attend a Sport Enrichment Program to be held at Woodlawn in December this year, this program will give the students an opportunity to learn more about time management, strength and conditioning and to interact with other students in the Diocese. Congratulations to Joel Guy, Sophie Scott, Siena Bordignon and Noah Dalton who have all received letters of invitation from the Lismore Diocese.

Cricket Development Officer
For the next three weeks during sport our students from Year 1 to Year 6 will be given a taste of cricket by the Regional Development Officer. These weeks give the children an opportunity and introduction to a sport they may not have tried. We are looking forward to the sessions and will post photos on KnowledgeNET early next week.

Rugby League Development Officers
Today is our last day for the Rugby League Development officers teaching league during sport. We would like to thank Garry Stevenson and his team for introducing Rugby League to our school. The children have had a wonderful time learning the different skills and techniques of the game. We look forward to more visits to our school in 2014.

European Handball
Mr Podesta recently organised a European Handball mixed competition for Year 5 and Year 6. The children took responsibility for forming teams, filling out and handing in nominations, reading the draw and turning up on time for their games.

The finals were held last Wednesday with Year 5 Bonkers Bears 3 defeating Pink Ponies 0 and Year 6 Thaumaturges 2 defeating All Blacks 1.

Both games were intense and were played with great sportsmanship. Look out for the next lunch time competition of Tricket coming soon.
CHESS SUCCESS!!

NORTH COAST REGIONAL CHAMPIONS
Congratulations to the A Grade Championship Chess Team on their convincing win against Mullumbimby Public School on Tuesday 29 October. Well done to the following boys for representing St Augustine’s with excellent sportsmanship and team spirit: Lachlan Golding, Adam Bain, Brock Symons, Noah Dalton and James Maybank (reserve). The boys travelled to Maclean and played two matches each. The final score was 6.5 to 1.5. Many thanks to Mr Golding for driving the boys to Maclean and supervising them for the day. Thanks also to Mr George Gelagin, who has worked tirelessly with the boys, generously donating his time to coach and mentor them.

As North Coast Regional Champions, the team will advance to the next stage of the competition. This is the furthest St Augustine’s has gone in this competition for several years and the boys have worked hard to achieve this goal.

CHESS CHAMPIONS!

THREE-PLAYER CHESS COMPETITIONS
St Augustine’s entered eight teams in the Three-player Team Event this year. The tournament was played at Sawtell Public School on Tuesday 22 October. All players represented our school with exemplary behaviour and great Chess skills. Teams played 11 games throughout the day. These competitions build independence, resilience, teamwork and thinking skills and as such, are a valuable experience for students.

Well done to all of our players, with special congratulations going to the following teams who managed to achieve a place in their grade.

A Grade:
1st place – St Augustine’s 1A (Lachlan Golding, Adam Bain, Brock Symons)

2nd place – St Augustine’s 2A (James Maybank, Noah Dalton, Finn Murray)

C Grade:
2nd place – St Augustine’s 3C – (Lily-Rose Battaglia, Skye Courts, Thomas Anderson)

3rd place – St Augustine’s 2C – (Kieran Murray, Oscar Pike, Dylan Loader)

The A Grade Championship Team have now qualified to play in the Country Finals in Sydney at the end of November. We wish them well for the next stage in their journey.

Many thanks to Mr Pike for his wonderful work with scoring throughout the day.

Stephanie George
Chess Coordinator

ICAS COMPETITION RESULTS

MATHEMATICS
This year, 73 students participated in the Mathematics Competition. Eight Distinction, 23 Credit and 42 Participation Certificates were awarded. Congratulations and thank you to all the students who participated.

Distinction: Anoushka Pathak (Year 3); Rocco Greisel (Year 5); Joseph Barker, Ciara Barry, Thomas Allom, Jessica Graham, Tahseen Sarwar, Brock Symons (Year 6).

Credit: Riley Dagger (Year 2); Rory Beech, Nick Caldwell, Trinity Kachel, Kieran Murray (Year 3); Tyler Kooyman, Abbi Dagger, Madison Howarth, Adam King, Lensa Lo Tam, Sefo Lo Tam, Oscar Pike, Hayley Smith, Emily Zhang (Year 4); Jack Canning, Zachary Clarke, Thomas Fergusson, Griffin Moore (Year 5); Dheeraj Adusumalli, Brigitte Boyse, Levi Jones, James Munro, Benjamin Schultz (Year 6).

Congratulations to all these students.

Stephanie George
Coordinator: Administration
CENTENARY FETE - Save the date

Friday 22 November 3 – 6pm

Thank you to those who have started to send donations in with the children. Please keep them coming - we have only three weeks until the Fete.

A reminder of how can you help:

- Donating small prizes to the value of no more than $3 such as yoyos, tattoos, any stationery such as fancy pencils and erasers, slap bands, hair bands, sporting balls, stickers for the many stalls we have
- Donating non-perishable goods for the Tombola stall (items children love to buy)
- Making bottles for the Spin the Bottle (see photos below)
- Coordinating a stall (contact Tennille ASAP 0404 463 464)
- Working for 1 hour on a stall
- Baking cupcakes and freezing them for our cake decorating stall
- Donating food that we require for the food stalls such as sausages, cans of soft drink, small packets of chips etc (contact torourke-cox@lism.catholic.edu.au for more information)
- Donating prizes for the chocolate wheel such as hams, chicken trays, fruit boxes, seafood platters, meat trays
- Plants and hand-made crafts

Do you have a spare fridge or chest freezer we could borrow for the week of 18 Nov? If you are able to assist then please call Tennille on 0404 463 464. We will store it safely until after the Fete.

TOMBOLA

Non-perishable grocery items (which children love) are required for the Tombola Stall. Please send in items to your child’s classroom. Children who bring in grocery items will go into a draw for a chance to win $20 to spend on the day!

CRAFT

Donations of handmade craft products are requested. This is a very popular stall so any donations would be most appreciated.

SPIN THE BOTTLE

We are asking families to recycle soft drink bottles by filling them with goodies & donating them to this stall. Bottles to use are 1.25 litre and 600ml size. What you need to do is use any plastic soft drink bottle, wash & dry the inside, cut bottle in half around the middle, place contents inside and then sticky tape bottle again.

Contents should include small new toys (not old McDonalds toys please), sealed confectionary, erasers, pens, pencils, highlighters, notebooks, hair bands, scrunchies, tennis balls, skipping ropes etc. Whatever is placed inside your bottle needs to be to the value of $2, as they are sold for $2 at the Fete—we ran out of bottles early last year so we need lots of families to donate.

Simply send the bottles in to your child’s classroom teacher.

Any children who bring in bottles will go into a draw for a chance to win $20 to spend on the day.
PLANTS - We always sell out of our plants and never seem to have enough. They can be delivered to the school anytime between now and the Fete as the Gardening Club has offered to look after any donations.

CUPCAKE DECORATING **New Stall**
We are excited to announce this as one of the many new stalls. Please start baking and sending in frozen cupcakes packaged individually in ziplock bags to the Canteen.

Help Wanted - for St Augustine’s Centenary Fete

We have lots of great stalls for the School Fete and the stall coordinators need parents and friends to help run these stalls to ensure their success. The Fete is on Friday 22 November in the school grounds from 3pm-6pm.

Many hands make light work so one hour or more of your time would be fantastic and helps to support the P & F Association’s purchase of additional equipment for your children to use at school. Please phone Stephen Appleton on 0457 860070 or Tennille 0404 463 464.

If you or anyone in your family can assist, please complete the form below and return to school by Monday 4 November.

CENTENARY FETE – Helpers Note

☐ Yes, I can coordinate the ___________________________ stall.
My name is ___________________________ Phone number: ___________________________

☐ Yes, I can help at a stall

ANY STALL  ☐ OR Name your preferred stall ___________________________

Please tick suitable time [if you are available for more than 1 hour please tick other boxes]:
3.00 – 4.00 pm ☐ 4.00 – 5.00 pm ☐ 5.00 – 6.00 pm ☐

My child’s class is: _________ [so we can send a note home confirming stall and time]

(Please return this note to school on Monday 4 November)
Who will become St Augustine’s ‘FETE’ MasterChef?

KINDER
‘Face Biccies’

YEARS 1 & 2
‘Cup Cakes’

YEARS 3 & 4
‘Cakes & Slices’

YEARS 5 & 6
‘Sweets & Treats’

Here’s how to enter:
- Create your ‘MasterChef’ sensation and bring it along to school on the morning of the Fete!
- Entry to the competition is a plastic/paper plate of your delicious treat! (Clearly marked with your name & class).
  Eg. A plate of face biccies (Kinder), a plate of cupcakes (Years 1 & 2), a whole cake or slice (Years 3 & 4) or sweets & treats (Years 5 & 6).

Prizes:
There will be 2 prizes per cohort, to be announced on Fete Day (22 Nov 2013).
All entries will be sold at the cake & sweet stall at the Fete.

Have Fun... Bake... Create... and Enjoy at the Fete!
ST AUGUSTINE’S SCHOOL

FAB ‘IRaffle’ DRAWN AT THE FETE

MANY THANKS TO OUR CENTENARY FETE SPONSORS
**Brain Breaks**

During this term we have introduced Brain Breaks for teachers to use when best suited for their class. Energizing Brain Breaks are quick 1-2 minute activities. Students of all ages love them. Why do they love them? Because they are fun and make you laugh. They also challenge your brain. Energizing Brain Breaks help you to cross the mid-line of your body which helps both sides of your brain engage. It is suggested to use an Energizing Brain Break every 30 minutes. You can imagine a class of students sitting most of the day. Energizing Brain Breaks help students to stand up and be active every 30 minutes.

If you are interested in these energizing brain breaks for home, please for more ideas, or check our knowledgeNET noticeboards for this week’s brain break or ask the children what brain breaks they like.

**Be Healthy - Be Active!**

Children and adults need physical activity every day. Activity helps build better bones, muscles, joints and helps maintain a healthy weight. Being physically active can also reduce the risk of heart disease, type 2 Diabetes and some cancers. Get active any way you can - walking, riding, swimming, and playing active games such as ‘Tip’, Bull Rush or Simon Says.

**Easy ways to add physical activity to your day:**

- walk to the store, school or the playground instead of using the car
- allow time for children to play outdoors
- park the car away from the shops
- get off the bus one stop earlier
- don’t use the remote control
- plant a veggie garden
- take the stairs instead of escalators or lifts
- schedule regular time each week for your family to be physically active together
- limit television time to no more than two hours per day or 14 hours a week.

_Alex Shaw—Coordinator_

---

**GARDENING CLUB**

On behalf of St Augustine’s Primary School and the Gardening and Enviro Clubs, we would like to thank Mr Dean Dannevig (Store Manager) and Alanna Goodwin (Activities Organiser) of Bunnings Warehouse, Coffs Harbour South, for their generous donation of plants, mulch and seedlings for our Sustainable Garden.

This ensures that the children can continue to grow plants and vegetables and also for St Augustine’s to continue their donations of produce to the Coffs Harbour Soup Kitchen.

We would also like to thank Bill and Joan Haynes, grandparents of Sienna Haynes (Yr One), for the plant donations they have provided for our plant stall at the school Fete this year.

_These donations are received with much appreciation and many thanks from all of us at St Augustine’s Primary School._

_Ngaire Robinson_

_Gardening Club Coordinator_
outside school hours care

This term we are learning about ‘COMMITMENT’. It is great to see how well the children are responding.

The children have been ‘committing’ to doing their homework every day (except Fridays) even if it is just for a few minutes. We ask all children to participate in this programmed activity. Please advise staff if you do NOT want your child to do homework at OSHC. Please remind your children to bring their homework folder home each day.

Some children have ‘committed’ themselves to the Active After School Care program which started last week with yoga on Tuesday and cricket/ball skills on Thursday. Eighteen children have committed to participating for one hour per week for seven weeks. There is even a ‘waiting list’ of those willing to participate when there is a spot available. The AASC sport program is on from 3:45 – 4:45pm. If possible please help your child with this commitment by picking them up after 4:45pm.

We have also been reminding the children about their ‘commitment’ to adhere to the OSHC rules.

we are very proud of the children’s efforts.

playgroup

We welcome all families with children under school age to attend our Playgroup, held each Wednesday morning (9am—11am) in the OSHC room. A $3 fee per family, payable on arrival, applies and we ask you to contribute either a snack (biscuits, cake, etc.) or a piece of fruit towards morning tea. Coffee, tea and hot chocolate will be made for you. Our emphasis at St Augustine’s playgroup is to provide a safe and happy environment for the children so they can play and interact with other children while their parents enjoy a chat and a cuppa. See you there!

vacation care

It may seem a bit early to talk about Vacation Care, but it’s only seven weeks until the holidays! Please remember OSHC closes after Friday 20 December 2013 and will resume on Thursday 2 January 2014. School will return (for Years 1-6) on Wednesday 29 January 2014. Vacation Care will be open during that period in January (except Monday 27 January because of Australia Day Public Holiday).

Vacation Care for January is available for all new Yr K 2014 enrolments. Enrolments must be handed in to the office by Friday 13 December.
Notice

Bunnings

is having a Family Christmas Night

on Thursday

5 December

from 6:00pm - 8:00pm

All Welcome

Lots of activities and crafts for the kids

Come and join in the fun!!
Centenary Pavers

St Augustine’s Primary School

YOUR NAME WILL GO DOWN IN HISTORY

INDIVIDUAL PAYER

Your donation of $25 entitles YOU to have your name engraved into a paver as a lasting record of your association with St Augustine’s School.

# CARD GAMES TO PLAY AT HOME

<table>
<thead>
<tr>
<th>Age Group</th>
<th>Why Play this game?</th>
<th>How to play Game</th>
</tr>
</thead>
</table>
| 9 – 16 years | Multiplication Number Facts  | **FAST FACTS**
A pack of cards 1 – 10
A game for two players
Deal out half the cards to each player. Both players lay out a card face up.
The first to multiply the two numbers together wins the cards
Play continues and the winner is the one with the most cards at the end.
**Variation:** Remove cards which are beyond children’s ability, e.g. 8, 9
Use addition or subtraction |
| All Ages  | Addition, Subtraction,       | **CARD CALCULATIONS**
A pack of cards 1 – 9
Each player is dealt 4 cards face up
Each player then tries to make a number sentence which gives a single digit answer using their four cards.
The answer becomes the score for that player.
The answer becomes the score for that player.
Eg. If the four cards were 2, 6, 3 and 7
Answers could be:
7 + 3 + 2 = 6 = 6 points
6 + 7 – 3 = 2 = 8 points
36 – 27 = 9 = 9 points
The winner is the player with the largest score after five rounds.
**Variations:** Aim to produce the lowest score
Deal out more or less cards |
<p>|           | Multiplication, Division     |                                                                                  |</p>
<table>
<thead>
<tr>
<th>Age</th>
<th>Why play this game?</th>
<th>How to play game</th>
</tr>
</thead>
</table>
| 8 – 13 years | Addition, and subtraction Multiplication and division | **SALUTE**  
Short deck, cards 2-10 (3 players)  
Deal one card each, face down. When the dealer says ‘salute’ each player raises the card to his or her forehead. The dealer states the total of the cards. Each player has to determine the value of the card being held to his or her forehead by looking at the other person’s card and subtracting this amount from the total. This can also be played with multiplication.  
**Variation:** The dealer looks at the colour of the cards. If the colours are the same the dealer adds and if the colours are different, the dealer multiplies. This time, the player has to state both the colour and the value of the card being held. |
| 8 – 13 years | Addition and subtraction | **FLIP 4 AND ADD**  
The first player flips 4 cards to make two 2-digit numbers and adds these together. The next player also flips 4 cards and adds the two 2-digit numbers together. The player with the largest number gets a point. The player with the most points wins.  
**Variations:** Flip 6 cards and make two 3-digit numbers to add together.  
Begin with 50 and flip 2 cards to make a 2-digit number. Subtract the number from 50. The next player flips 2 cards and subtracts their 2-digit number. Play continues by subtracting a number when it is your turn. The person closest to zero is the winner. |
| 9 – 13 years | Addition, Subtraction, multiplication and Division | **MAKE 20**  
Players are given 4 cards each. Using any of the four operations (+, -, x, ÷) the player tries to make a total of 20. If the player makes exactly 20, they score 10 bonus points for making 20 plus their score of 20 (30 altogether). The next player has his or her turn. If they are unable to make 20, their score is the number they have made that is less than 20. Play continues with players trying to make 20 with another four cards. After each turn the scores are added to the player’s total. The first player to reach 200 is the winner.  
**Variation:** Select another number to begin the game. |
<table>
<thead>
<tr>
<th>Age</th>
<th>Why play this game?</th>
<th>How to play game</th>
</tr>
</thead>
</table>
| 6 – 8 years      | Numeral recognition Numbers before and numbers after a given number.             | **PLACE IN ORDER**  
Place all the cards 1(ace) – 10 face down in rows of ten so that there are four rows with ten cards in each row.  
The aim of the game is to have the cards in order in each row. (cards places 1 – 10). The game begins when player 1 turns over the first card and tries to work out where it should be in the row and places the card down. The next player picks up the card where player 1 placed their card and then works out where to put that card. Play continues in this way until all the rows are from 1 – 10. |
| Age 6 – 9 years  | Addition of number facts                  | **ADDITION SNAP**  
Cards 1(ace) – 9 two players  
Players divide the cards evenly between themselves.  
At the same time each player turns over one card.  
Players add the two numbers together as quickly as possible and say the answer aloud.  
The player who says the correct answer first keeps the two cards.  
Play continues until one player collects all the cards. |
| Age 6 – 13 years | Addition and subtraction facts            | **ADDITION AND SUBTRACTION**  
Cards 1(ace) – 10  
Players divide the cards evenly between themselves and place one card face up in the middle. The first player places their card next to the card in the middle. If it is a black card the cards are added together.  
If it is a red card subtract the number from the previous total. |
| All Ages         | Sequencing in ascending or descending order. | **UP AND DOWN**  
A deck of cards 1 – 10  
Each player is dealt four cards face up. The remaining cards are placed in a pack in the centre.  
The aim of the game is to be the first player to arrange the cards in ascending or descending order. Starting with play to the dealer’s left each player takes turns to exchange cards from the pack or discard pile to arrange their four cards in order.  
The first player to arrange his/her cards in order is the winner of that round and receives a point. The first player to accumulate five points is the winner of the game. |
